COMPANY PARTICULARS

Dogon Group Properties established by our CEO, Denise Dogon in 2002 - a company which 13 years later has proved to be a true real estate success story. The Dogon name has become synonymous with the proficient and effective marketing and selling of premium grade properties on the Western Cape's Atlantic Seaboard.

Dogon Group Properties prides itself on its unique and focused approach to marketing and sales, providing a comprehensive and tailored solution to ensure that sales occur at the optimum price within a compressed space of time. The company utilizes an evolved and distinctive distribution platform spanning the Atlantic Seaboard together with a sales force of highly adept and skilled sales agents who are selected for their experience and measurable track records.

Headed by a team of professionals and a dedicated in-house marketing department, Dogon Group will ensure that appropriate, focused and specialized marketing techniques are brought to bear. The powerful proprietary database of the company combined with its eye-catching and prominent advertising, both in the popular media and via electronic media, and extremely visible sales offices support our strong performance on the Western Cape's Atlantic Seaboard.
